#### Harmony brings wealth

Zhongxin Wooden Co.,Ltd was founded by nine faithful and filial families in 1990. They built more than 20 years' prestige by Chinese faith and high quality of the products, they have a very strong sense of social responsibility. Over the past few years ZX are committing themselves to Stretch out a helping hand when our country and region caught in a critical and dangerous condition. For example, in SiChuan earthquake ZX and all the staff donated money and relief goods in the first time, which fully reflects social responsibility of ZX.

When the family is together, fortune gather together.
